ER HIGH SCHOOL

Ann Glassburn and Denny Diehl listen closely to the conversation being carried on by Dave Craig, and Dick Johnson as they prepare to go to fourth period classes. Locker scenes of this type are very familiar in the halls of B.H.S. during the noon hours.

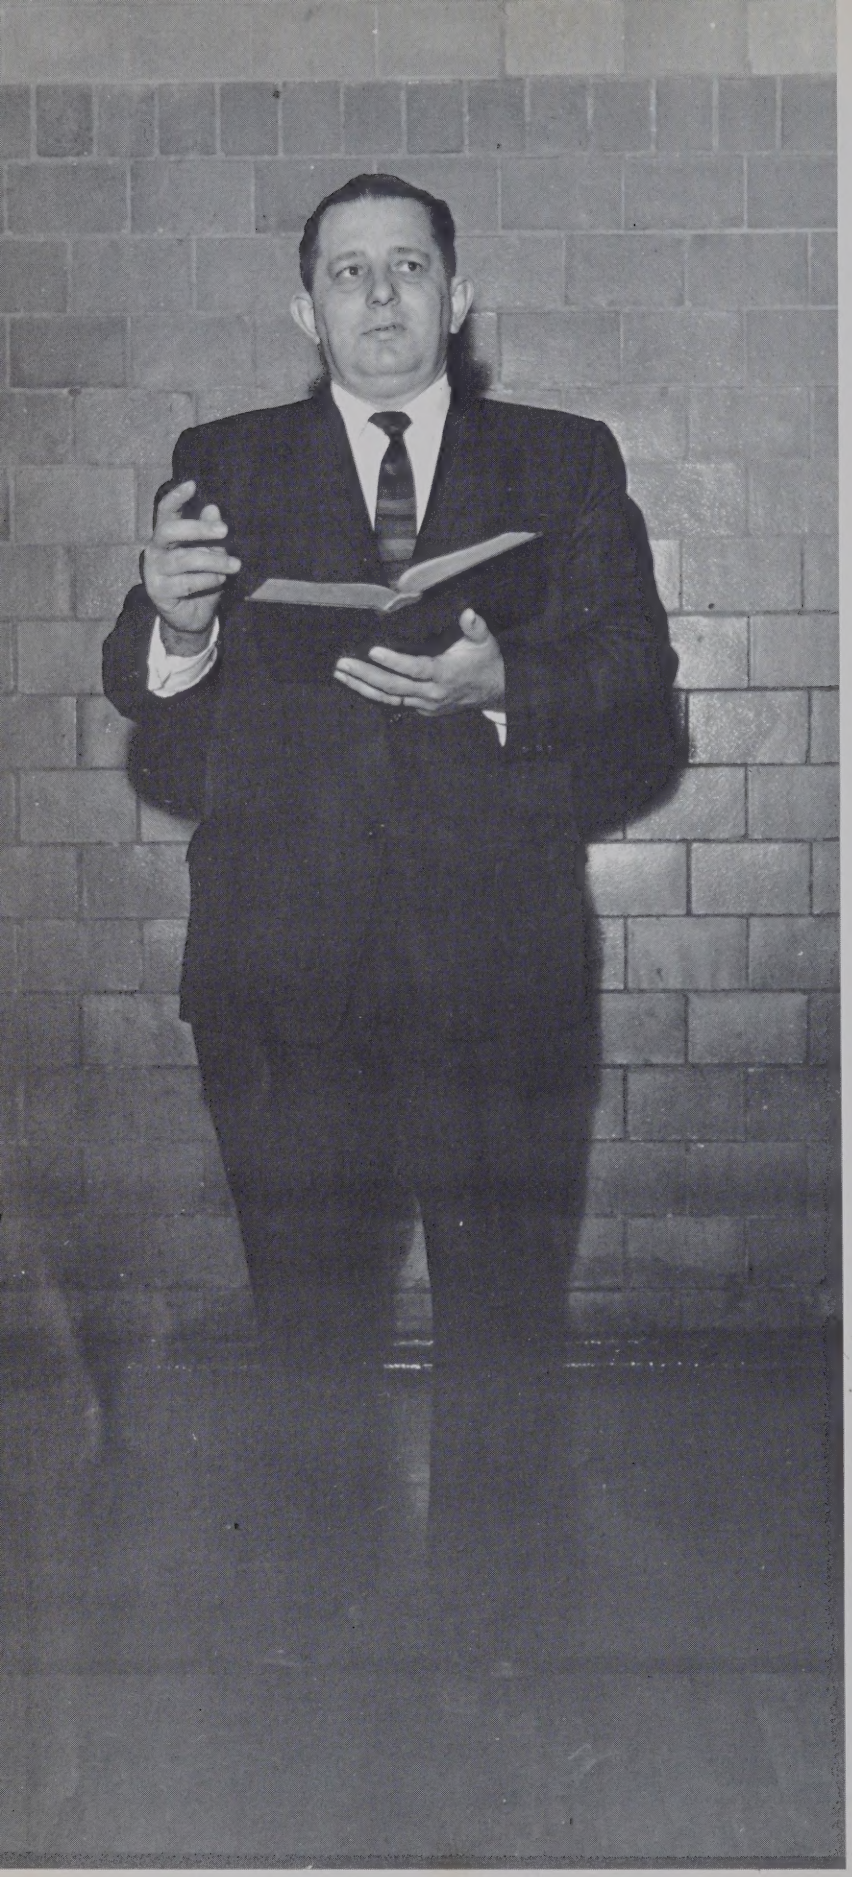
Those unforgetable noon hours, short as they seemed, added incidences and experiences to our memories of our high school days. Noon hours were looked forward to for more than eating lunch or getting a break from the "ol grind." It was the time when we would talk of last nights date or party while watching the noon leaguers, dancing, or doing various tasks that had to be done.

The outdoor, noon hour gab session includes John Grimm, Dick Johnson, Bill Farmer, and Phil Smith.

Mrs. Hampel answers Tamara Lowe's and Gary Laub's literature questions while she does noon duty in the halls.

The cafeteria is the general direction that everyone heads for immediately after activity period.

Denny Diehl and Junior Lung enjoy their noon hours by dancing as do many other students.



Rev. Hertenstein uses expression to emphasize his meaning and purpose to the student body.

Our convos during the year were informative as well as entertaining. The animal film shown by Glen Morris, Romanoff's special concert, ministers, special speakers, films on job opportunities and marriage were a portion of this phase of our school life.

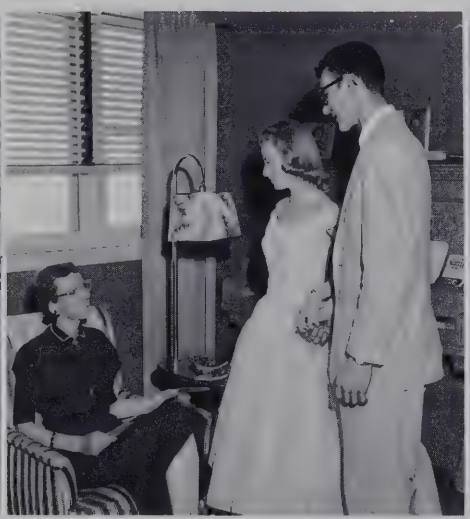
Various expression are seen on the students faces as Mr. Lowe speaks at a convocation.

TOP RIGHT: Sgt. Hunter of the State Police relates to the high school the real cause of accidents, people. CENTER RIGHT: Mr. Sullivan prepares to demonstrate a gun from his collection. BOTTOM RIGHT: Mr. Cleaves aids Ron Ault in guiding his plane in the right path.

Social events of all types are a part of our memories. Each event carries a separate meaning and beautiful memories for us. No memory, though, will outshine those of the formal dance. The corsage, fancy clothes, boy and girl, sweet and beautiful music, and the good night kiss are occurences that linger in our minds long after others have gone. The enchanted evening is indeed the evening of the formal dance.

Sweet music, a boy, and a girl.

The finishing touches by both the boy and girl are a must before leaving for the dance.



The beautiful corsage and good-by to Mom begin the evening. The Kiss brings it to a happy close.

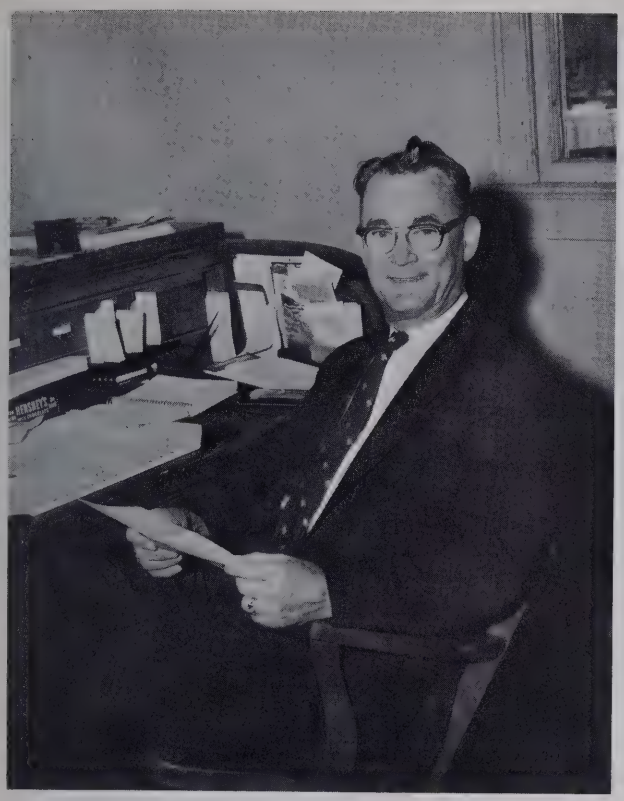
SCHOOL BOARD

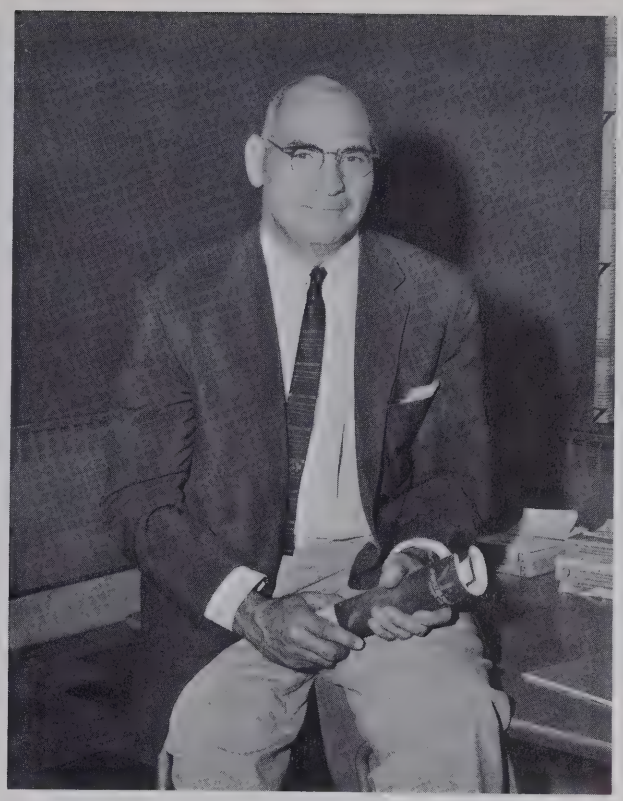
The Butler school board, headed by Kent Myers, president, has a great responsibility on their hands. They are the people who must make decisions that will help to round out our lives.

The school board provided, for the faculty, the Ball State guidance course which the teachers took this school term. They also provide the special convos for the student and fulfilled our hopes as the track field was completed and put to use.

Board members realized the importance of education of the younger generation in order to make ours a better world in which to live.



Mr. Lowe, principal, takes time out from his work to give us that familiar smile that tells "all is running smoothly."



A very highly respected person in the Butler School system is Mr. Zeller, our superintendent.

Administrators Guide Us Through the Year

ADMINISTRATION

Our superintendent, Mr. Zeller and principal, Mr. Lowe united their efforts to make the Butler schools the best place possible for us to attend for our schooling. Mr. Zeller represents the state as he administers the rulings of the state. Mr. Lowe supervises the educational system of Butler High School and is seen working with the students in their activities and problems.

Both gentlemen leading us are very busy men but frequently either is seen taking time for a chat with a student in the halls.

The two seemingly happy-go-lucky girls Helen Houlton and Charlotte Miller have many headaches as they help to keep the two offices running smoothly.

Helen Houlton and Charlotte Miller exchange smiles during the daily visit of Charlotte from Mr. Lowe's office to Mr. Zeller's.

Teaches: Health and Safety, Physical Education
Sponsors: Freshman Class, G.A.A.

Striving to Conquer the Unknown

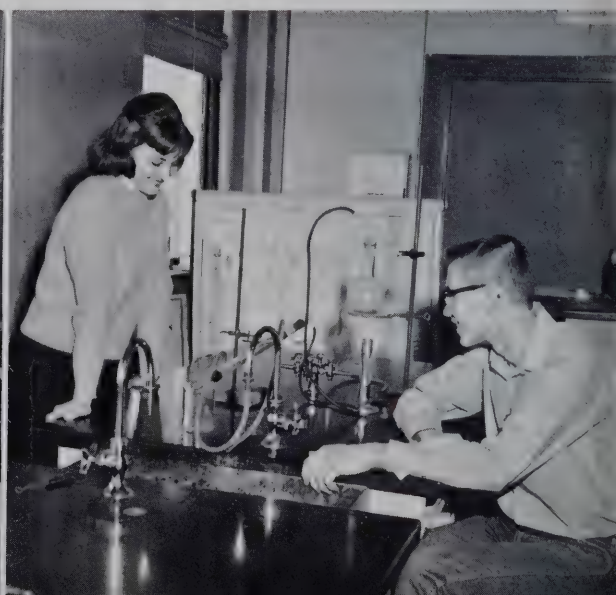
Science and math go step by step into this modern age. To keep pace with it we need a general knowledge of math and the sciences.

Mr. Van Zuilen, Mrs. Campbell, Mrs. Buenerkemper, Mrs. Schubert, and Mr. Gorrell direct Butler's science and math department. Courses in chemistry, physics, general science, biology, and health and safety are offered to students at B.H.S.

In the field of math courses in algebra, geometry, trig, and general math are offered.

Freshman biology students, Larry Betz, Linda Hose, and Margaret Fowler, enjoy watching and caring for the fish in the new acquarium.

Phil Ginder and Karen Vachon enjoy chemistry when they get to rig up the apparatus for an experiment.



Preparing for the Modern World

Mrs. Schubert willingly explains to Donna Walter why -2 is the correct answer to her advanced algebra problem.

Glenda Wasson gets the first chance to put to work what she has learned in trig. Phil Ginder, Ellis Ewing, Keith Smith, and Dallas Thimlar wait patiently to use the transit.

Darilou Miller, Sunnie Miller, and Martin Van Leuven work their math where everyone can see the correct procedure.

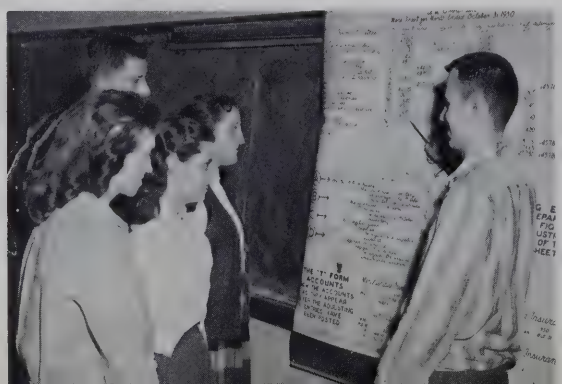
Teaches: Shorthand, Office Practice, Bookkeeping
Sponsors: Freshman Class, Booster Club, Lunch Room Advisor.

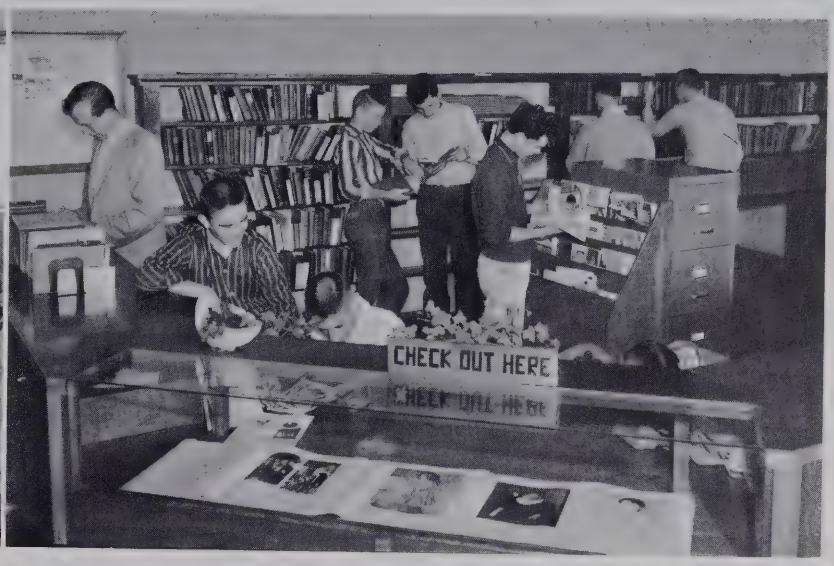
Boys as well as girls enjoy typing. They all practice good posture and proper typing methods at all times.



Charts are very helpful to Bob Staley, Carrol Likes, Beatrice Zimmerman, Jane Carr, and Bob Robinette when they help themselves in bookkeeping.

We Learn to Express Ourselves

Don't disturb! These literature students appear to be near the climax of another short story.



The library is a busy place at almost any time of the day. Reference books, fiction books, and current magazines flow continuously from reader to reader.

English is essential in every walk of life. Mrs. Hample, Mr. Reed, Miss Felter, and Mr. Handy teach the student the essentials of correct English as well as a knowledge of English and American authors.

Latin, taught by Miss Marshall, gives students habits and techniques that will be useful in studying other languages.

Heading the business department are Mr. Sutter, Mr. Handy, and Mr. Shepard. Courses in typing, general business, shorthand, and bookkeeping prepares the student for the business world.

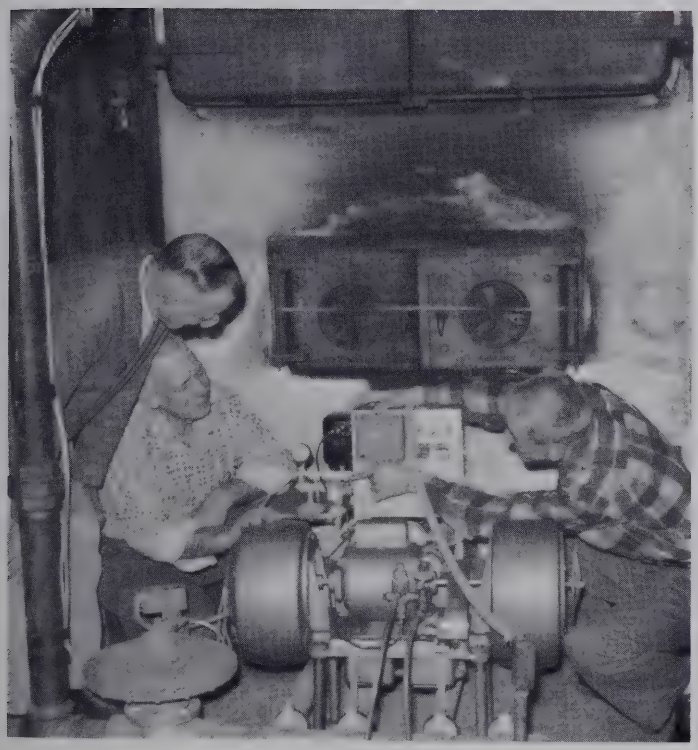
Cooks, Janitors, B'Drivers

Rain or shine the bus drivers, cooks, and janitors continue to do their jobs. Each one does his task whether it is bringing the rural students to school, preparing well-balanced and nourishing meals, or keeping the school warm and spic and span. All year long they work at their jobs. They start long before we get to school and finish after we have gone. All these people deserve our recognition and consideration for a job well done.

Serving Us Everyday



Our janitors, Otis Gall and Clyde Chandler, listen to another fellow janitor, Albert Brown, as he points out parts of the new gas heating system.

"Stu" Capp, Floyd Keller, Junior Freidenberger "Friday," Wilson Steckley, Dick Dove, and Charles Armstrong pose before beginning a safe trip over the snow and ice.

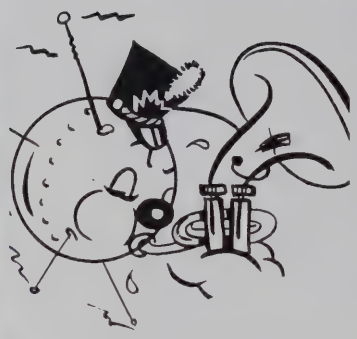
OUR ACTIVITIES



OUR EXTRA-CURRICULAR ACTIVITIES IN BHS ARE ANOTHER FORM OF OUR EDUCATION. BY INITIATION WE ARE INTRODUCED TO THE ORGANIZATIONS AND ARE READY TO ADD TO THE FUN OF OTHERS.

WHILE WORKING AND TAKING PART IN THE VARIOUS COMMITTEES AND ACTIVITIES, WE LEARN TO UNDERSTAND THE ACTIONS OF OUR CLASSMATES, AND TAKE ON RESPONSIBILITIES.

WHERE WOULD WE STAND IN THIS SOCIAL SPHERE WITHOUT TRAINING IN OUR FLURRIED LIFE OF ACTIVITIES?

Student Council

The student's governmental body of Butler High School is the Student Council. The students ideas and opinions are heard by the representatives elected by each class.

What is the purpose of the Student Council? One of the most important jobs is to present the student's viewpoints to the faculty and to make and develop new school policies. The members try to promote better understanding and to develop the interest between the students and teachers and to raise school standards.

A new club must be approved by the council before it can be organized in the school. They also select the hall monitors and special convocations each year.

The Student Council gives the students an opportunity to make themselves known in the government of their school and prepares him for his future as a citizen.

By using the pencil machine Jerry McKean, Doris Mason, and Carolyn Sholl add to the Student Council treasury.

NATIONAL HONOR SOCIETY

The National Honor Society is probably the most honorable club in school. The services that its members render to the school are numerous. Most service workers in the school, such as monitors, and office cadets, are N.H.S. members. This year the club sponsored films for convocations, sent Breeze's to Butler graduates, and bought plants for the classrooms.

The club meets every third Thursday of the month at which time a business meeting is held with a special feature. These specials have included: the reading of the constitution, visits from business men and lawyers, and farewell speeches from the senior members.

The club is certainly to be commended on the fine job it is doing for the school and community.

TRI-HI-Y

The Tri-Hi-Y of Butler is one of the largest organizations in the high school. Through the leadership of Marylin Durst, pres., and Mrs. Hampel, the sponsor, the organization was kept very active.

With the formal induction of new members at the Church of Christ the girls began their busy year. They learned more of Christ and Christian ways of life as they fellowshipped together in the homes of the members at each monthly meeting. Special joint meetings with the Hi-Y were also held to increase understanding in Christian boy-girl relationships. Sharing the World Clothing Week Drive at Christmas time is an example of how the Tri-Hi-Y girls worked together to help others.

HI-Y

The Hi-Y club of Butler, as in any other school, is a Christian organization for boys and is affiliated with the YMCA. The boys are of the upper three high school grades and have been accepted to the club by older members upon their attitudes toward Christian living.

The selection of the Homecoming Queen at the first home ball game was originated by the Hi-Y in 1957 and was continued this year. A beautiful crown was purchased by the organization to use for this purpose.

The twenty-one boys in the Hi-Y promote high ideals, and a Christian way of life. Mr. Van Zuilen, sponsor, and Ron Ault, pres., directed the boys in discussing and solving their problems as well as helping to develop interesting and informing monthly meetings.

The Breeze Staff of 1958 — 59

The Windmill Breeze staff proved to be a very important group to the students of BHS when they desired to learn of humerous incidents, important events --past and future--and histories of holidays and people.

After articles were assigned by Sharon Church, editor, there would be a mad rush to get the articles written properly and on time for the printing. Mr. Shepherd supervised all the proceedings and arranged for the staff to be included with the journalism class on the tour of Fort Wayne's new newspaper buildings.

Circulation of the Breeze was maintained by advertisement, subscriptions, and individual sales. Copies of the Breeze were sent to other schools in exchange for their school publications.

The Tropaeum Staff of 1958 — 59

The Tropaeum staff worked hard and long to produce another excellent yearbook. Many hours of their spare time were spent on making layouts, securing advertisement, writing copy, and taking pictures. At times ideas became few and time became even more scarce, but under the editorship of Chuck Vose and sponsorship of Mr. Sadler, the various jobs were completed, and annual subscription sales were carried on.

An increase in advertisement suggested others' confidence in the Tropaeum which was still in the making. Victory, the meaning of Tropaeum, might well have been cheered upon the completion of the final page. Within its cover, the Tropaeum holds memories of all who attended Butler High during 1958 and 1959.

A record hop was held in the gym, by the staff, upon the arrival of the completed Tropaeum for the distribution and autographing. To bring the climax of the year and evening, the annual awards were given to the staff.

The FFA boys are noted around BHS for their knowledge of parliamentary procedure, ability to bring home those coveted awards in the various contests, and their sportsmens abilities shown in noon league basketball.

Besides working for future contests and on their personal projects, the boys saw to it that the "corn was in the crib" from the land owned by the school and maintained by the FFA boys. A new project to them this year was the improvement of the walks and grounds around the school building.

This year Carolyn Sholl was elected by the Future Farmers of America to reign as their Chapter Sweetheart.

DRAMA CLUB

The best way to express yourself is through your actions. The Drama Club learned to express themselves in more desirable ways by practicing and developing the required skills.

The large number in Drama Club illustrated the vast interest of Butler students in participating in the entertainment world for their audiences. Drama Club members starred in playlets, skits, readings, and pantomines for the enjoyment of all. Applying make-up and designing costumes entered into the completion of these projects.

Drama in Butler High was at its best when the enthusiastic club worked with Miss Felter, sponsor, and Junior Lung, president.

CAMERA CLUB

Minus the dark room and some other equipment that is necessary in carrying out the complete process of picture making "big business" style, the Camera Club kept looking ahead. The extensive history of this organization dates back to 1957 when it was originated to accommodate "camera bugs."

This year the group learned the various processes in taking, and developing pictures. Projectionists work also entered their field of activities and at times the members would operate the projector for classes and convocations.

As the "camera bugs" begin to become more numerous, Mr. Shepherd will find his group becoming more active and ready to work in order to gain more practical experience in their hobby.

SAFETY PATROL

The fifty volunteer patrol members were seen every morning, noon, and night strategically located at the intersections used by a large number of students each day. No matter what the weather, rain, freezing, or scorching hot, the patrol members continued their vigil watching over student pedestrians.

Patrolers were taken from the lower grades and were divided into groups with lieutenants appointed to head each group. Mr. Wort worked with the students and devised a means of awards for the patrol members.

BOOSTER CLUB

Go, Butler Go! This became a favorite chant for the Booster Club as they cheered their beloved team on to victory.

This year the Booster Club was the largest ever, and the spectators will tell you it was also one of the loudest. The club, led by the yell leaders, really "let loose" with all they had.

Green and gold jerseys were purchased to form a "B" in the block. It was a very impressive sight to see an entire block of white, set off with a green or gold "B," supporting the team. Visitors were always impressed with the way the club put their hearts into the cheers. It was indeed a thrilling sight to all to see approximately 180 students rise to their feet to cheer the team in a close moment.

The yell leaders, officers, and faculty have received many compliments on the looks and sportsmanship of the Booster Block.

The Booster Block as seen from across the floor shows a small portion of the activity that is produced at a ball game. Boosters not only yelled and backed the team but also sponsored record hops after all home games on the week-ends. The proceeds from this and popcorn sales were used to purchase the sweaters.

DANCE BAND

"We'll dance while the music plays on." That is if it is being played by the Hi-Fi Band under the direction of Mr. G. K. Gnagy, featuring vocalists and special entertainment.

There is no dance band like the Butler Hi-Fi Band. This can be easily understood if you have ever taken the opportunity to hear them play. Many styles of songs, as rock 'n roll, jazz, waltzes, and cha, cha, chas, are played at the dancing and dinner engagements made by the band.

Beautiful songs are sung by Denise Diehl while floating, dreamy music is played in the background. During some engagements Connie McDonald and Ron Ault are included in the program with a record pantomime.

CHORUS

Working to music makes work a pleasure. To make our studying more pleasant the chorus is heard singing their songs in a distant room while in other rooms classes are being carried on.

The chorus, which has increased in size this year, participated in many different vocal activities. Entertainment was obtained from the chorus for Veterans' Day and Thanksgiving ceremonies in the gymnasium. They entertained at various times and brought a conclusion to their activities with the baccalaureate services.

Chorus members participated in the district contests for soloists and ensembles and sent first place winners to compete in the state contest at Indianapolis.

"Sing and be happy" might well be their motto, and Mrs. McNull, the director, will readily agree upon its appropriateness.

Varsity

Butler has always been proud of its teams but this year the halls of B.H.S. rang with praises of our team. The team, composed of six seniors and four juniors, came through with a win-loss record of 13-9 with 1.369 points. This team, under the guidance of John Reed, brought glory and honor to Butler. As the season progressed many teams considered Butler as a very likely contender for the 58-59 sectional title.

Being defeated by Edgerton, the Windmills gained victories over Waterloo and Harlan before losing to Angola by twelve points. Many eyes were turned toward the Butler-Garrett game that promised to be a real thriller. However, the Mills weren't up to par and lost by a four point margin. Three weeks later the Mills again were pitted against the undefeated Garrett team in the Holiday Tourney only to lose the heartbreaker by one point.

"The third time is the charm," concluded Butler as the powerful Garrett team was drawn for the first sectional game. Through the brilliant playing of the team, they edged Garrett by three points. Butler advanced to the semi-finals but went down at the hands of the Angola Hornets, 1959 sectional champs.

Rog Walter, Phil Ginder, and Doug Higley placed as top-scorers in DeKalb County. Rog, with his 45 points scored in the LaGrange game, broke the point per game record of the county. During the same game he broke the season total record with 488-58 points above the old record.

Rog Walter appears to be holding two of the Ashley Aces back as he watches Howard Haverstock leap toward the basket to push the ball through for two more points.

Ralph Lint calmly tries to pass by another Ace who is eager to get the ball. Ralph pays little attention to number 40.

Ralph, along with the other senior boys composed Butler's powerful and promising team of 58-59.

Made the Windmills a Winning Team

The typical dragging of the right toe by Rog Walter brings him to a halt before he shoots or passes the ball to Howard, number 31.

Players of the opposing team have some trouble keeping up with any of the windmills once they get the ball.

Doug Higley's shot causes teammates, Rog, Chuck, and Phil to stare in wonderment. Rog's shots, which are characteristic of only him, cause similar reactions.

BUTLER INJUNS

The group of Junior and Sophomore boys who composed the Injuns for the 1958-59 season proved to be a team of high spirits and good sportsmanship as they plunged down the floor giving their fans lots of excitement. The final outcome of their games showed that although they had few victories, which consisted of five wins out of eighteen games, they fought to the finish playing as a team. Many of this year's games were lost by narrow margins of one or two points; two games were played in overtime. Thus proving that the boys did not give up at any time of the game.

The Injuns also participated in two second team tournaments. Although they didn't come home with the titles which every team seeks, they made very good showings.

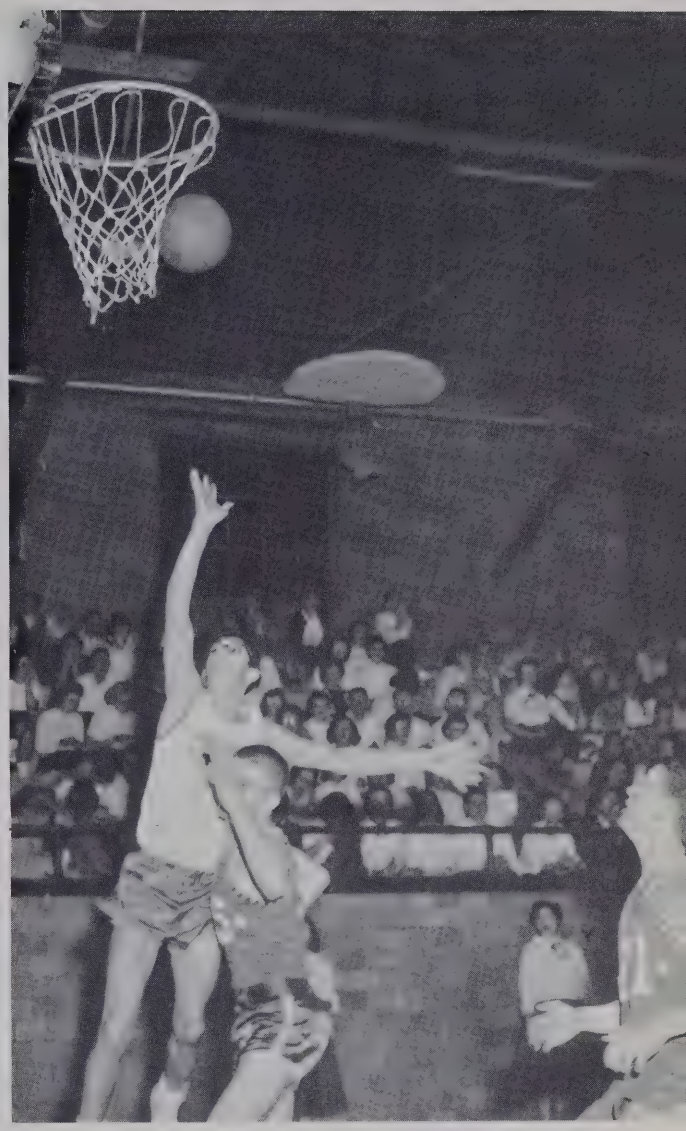
The second team holds a place of honor and respect at Butler High because in a year these boys will be members of the varsity team.

All these boys owe a great deal to the wonderful coaching they received from Mr. Gorrell, Butler's assistant coach.

An Injun fast-break sets Hank Lung up for an easy lay-up.

Stiff Competition

This shot attempted by John Grimm, 33, will evidently result in a jump ball.



John Grimm saw action on the second team and later on the varsity. Here he is doing his part for the Injuns.

Leslie Nelson, 43, seems to be going someplace but where. It seems that the ball may have gotten away.

Freshman Team

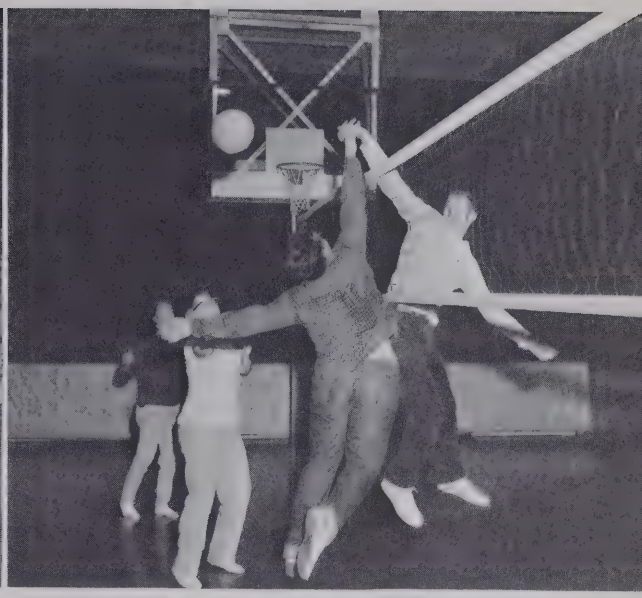
The Freshman team of Butler High School had a very successful 1958-59 basketball campaign under the guidance of Mr. Gorrell. The Freshman team ran into some rough weather and as a result they had several games postponed. The Freshmen still managed to win several of their games, including a proud victory in the four-way tournament at Fremont.

Jr.-Hi Team

The Junior High Gamemasters, with Mr. Gorrell at the helm, recorded another successful season for Butler's teams. They won the majority of their games and showed that they possessed promising material for future varsities. The team exhibited fine sportsmanship and ability; both of which are vitally important in all sports.

JUNIOR HIGH, BACK ROW: David Smith, Gerald Moore, Jack Hoffer, Ronald Shultz, Gene Hullinger, Mr. Gorrell, coach. SECOND ROW: Lloyd Beard, Jeri Jones, Mike Reed, Larry Walter, Morris Walter, Dale Parkison.

Tense moments are experienced by the noon leaguers as they watch to see where the ball will go in both basketball and volleyball contests which are meant for energetic boys and girls.



Everyone enjoys watching the girls when they make their attempt at playing basketball at noons.

Building Athletic Skills

Three days a week, approximately fifty days, the gymnasium is taken over for the intramural or "noon league" games.

There are a total of six teams that compete in the league; ranging from the beginning Junior High team to the powerful team made up of Senior FFA boys.

In the past few seasons, the big rivalry has been between the junior and senior teams, but this year the competition has been mainly between the seniors and the FFA team.

At the end of the basketball season the intramural teams will take part in a week-long tournament to decide the champions.

Our Hard-Hitting

The Season

The Butler Windmills under the able guidance of Mr. Reed and Mr. Gorrell, had a very successful 1958 baseball campaign.

During the regular season they won 7 games, and lost 3. In the tournament at Pleasant Lake they beat Salem Center and Ashley before losing to Angola.

The leading hitters were Rog Walter, Chuck Vose, and Phil Ginder. Bob Stayer and Dave Craig did most of the pitching for the Mills.

Behind Our Teams . . .

Marlene Kessler, Susie Smith, and Jean Carr, second team yell leaders, as seen by the boosters during a regular basketball game.

2nd TEAM YELL LEADERS

Susie Smith, Marlene Kessler, and Jean Carr were elected to be yell leaders for the second team by the Booster Block last year. This is the first year of yell leading for all three girls who are sophomores.

Working together in leading yells, these girls did a fine job in cheering the Injuns onto victory and keeping the boosters behind the team all the way.

When the score was down and the booster section became uncertain these three girls maintained their spirit to pull everyone through no matter what the outcome of the game.

They have done a good job for their first year and may be able to continue in the future years.

VARSITY YELL LEADERS

Leading the Booster Block in yells, songs, and chants during the varsity games were: Carolyn Getts, Patricia Getts, and Donna Walter. Carolyn is the captain of the yell leaders, has had four years of yell leading and is a senior. Pat and Donna both are juniors and have been yell leaders for three years, plus Jr. High for Donna.

All the girls worked hard and practiced regularly. They boosted the school spirit when it reached a low ebb and prepared the Block to be the best section at the tourney.

Humorous skits for pep sessions were arranged by these girls to arouse the boosters' spirit before a game.

All white varsity cheerleading uniforms show up brightly on Carolyn Getts, Patricia Getts, and Donna Walter as they give "With a 'T'".

Newly cleaned warm-up jackets meet the approval of Mr. Reed, Mr. Gorrell, Jon Jones, Keith Smith and Bob Dorsey.

COACHES & MANAGERS

A very important part of every team are the coaches. Butler is very fortunate to have Mr. Reed and Mr. Gorrell coaching all phases of sports in B.H.S. These two men are ones who keep the teams pushing toward a victory. Where would sports be without our coaches?

The managers, Jon Jones, Keith Smith, and Bob Dorsey give a helping hand to our coaches by keeping uniforms clean, basketballs polished and trunks packed. There are legs to bandage, sore muscles to heal and there are dampened spirits that need attention. What the coaches cannot find time to do, these boys are the ones who can do it.

Track

The red suits of Butler's track team were seen at many track meets last spring. Butler boys took part in eight track meets and were high contenders for all awards. Unfortunately, the team lost some meets by very few points.

The Butler team excelled in many events. Among these were the high and low hurdles, mile, 1/2 mile, 220, 440, high jump, 100 yard dash, and pole vault.

We are proud of our team and wish them the best of luck in the coming season; whether they are running on the new track at home or on foreign soils.

Steve Kaiser, Chuck Vose, Rog Walter, Howard Haverstock, and Dick Johnson are Butler's cross-country stars.

CROSS-COUNTRY TEAM

Probably cross-country is the least recognized sport of B.H.S., but it is far from the least important. Cross-country is fast becoming a favorite competitive sport in high schools.

Coached by Mr. Reed, the team traveled to meets and proved their talent in competition with other schools.

Walter Womack and Merlin Thimlar placed in the sectional meet and participated in the state contest. Other boys show promises for future meets.

THE UNDERCLASSMEN

UNDERCLASSMEN GROW MENTALLY AND PHYSICALLY DURING THE SHORT YEARS AT BUTLER. THROUGH CLASSWORK AND ADVICE FROM THE FACULTY, THEY ARE ABLE TO LOOK FORWARD TO HIGHER EDUCATION AND A DREAM FULFILLED FUTURE.

THEY LEARN THE VALUE OF COOPERATION BY BEING ACTIVE IN THE SOCIAL EVENTS, AND THUS, BECOME BETTER CITIZENS OF TOMORROW.

Marletta Ault, vice-president; Cheryl Baldwin, secretary; David Fisher, treasurer; and Philip Shultz, President, composed the seventh grade officers.

Seventh Grade

This year the seventh grade began a new realm of life. No more one-room classes: now they had to learn a new and completely different schedule. At first it amazed them to see others who seemed to know where they were going while they stood helplessly lost.

Early in their school careers they were given responsibilities. At the halloween carnival they are allotted certain concessions to give them their first crack at the business world. They also send representatives to the student council.

Eighth Grade

The eighth grade poses to be an emotional change for students of Butler. It is an eventful year with new experiences that keep their interests aroused. They find that they must answer many of their own problems since the teachers don't have time to give each pupil special care.

Though the eighth graders anxiously await high school, they usually have some doubts before they take the step upward. Normally their doubts vanish as they enter high school.

The officers of the eighth grade are David Smith, vice-president; Morris Walter, president, Judy Craig, secretary; and Ronald Houser, treasurer.

Freshmen

"Well, we finally made it," is a statement commonly heard from freshmen in the halls of B.H.S. They wondered, though, how those upperclassmen were able to attend so many social events and still get their lessons completed. They soon found out as they were caught in the swirl of activities.

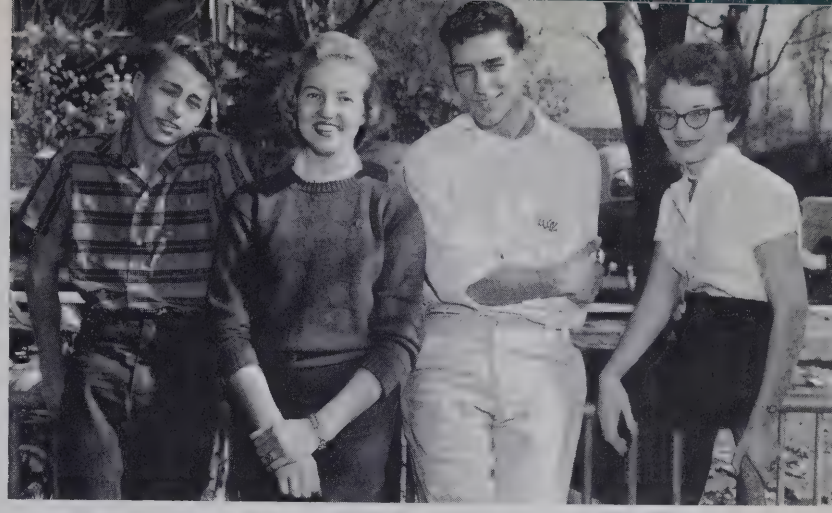
Sophomores

Study, study, study! It seems as if that is all that Sophomores get done. However, they know they must study hard this year to prepare for the stream of activities that will face them in the next two years.

This year the Sophomores got their first experience with the coat-check at the ball games. They learned how to assume the responsibility that goes with the work that must be done if they are to achieve their goal--"The Senior Trip."



The president of the sophomores was Maurice Casebere, treasurer, Marlene Kessler; vice-president, Ronald Fulk; and secretary, Dwanna Miller.

Juniors

The Juniors heaved a sigh of relief when they entered school this year, for they were now upperclassmen. Little did they realize the demands that would be made upon them. Still they united as a class and worked their hearts out for that beloved senior year.

Although they had to work, they had fun, too. "Look out Seniors, we're out to win." This was the cry of the Juniors as they desperately tried to overthrow the reign of the Seniors throughout the year.

GIRL-SHY

Is the class of 1959 "girl shy?" It's doubtful, but that was the name of the junior class production which came about in the spring of 1958--a perfect time to portray a young man's love life

Tom Arsdale, the young man, did not wish to date; or marry his father's choice of girls for him. Instead he had his eyes on Babs Sanford, a girl he had seen at distances on the campus.

Beyond Tom's knowledge Babs had stepped into Birdie's shoes as cleaning lady when he proposed to her a pretense engagement.

Tom received his father's approval as time went by.

Mrs. McNull directed the cast through the weeks of preparation.

Jane adds final touch to Chuck while Keith waits.

"Dad, Clarissa, everybody-er--"
"Never mind, I'll tell them, Tommy. I'm Birdie LaVerne, Tom's fiancee.

"I mean if I didn't already have the sweetest girl in the world."

"TERROR AT BLACK OAKS"

Bonnie met Rusty when she and Flo arrived at the Blakely estate for the reading of her uncle's will. Rusty became attached to Bonnie and looked after her when she learned that her life was in danger. After she became "sole legatee" of the estate, she announced to the family that she was going to share it, as Rusty announced, "I've a wife to support."

"Terror at Black Oaks" was the second successful play given by the class of 1959. 'Mr. Skip' Handy directed the play.

"Heavenly--Just heavenly!"

Seniors of All Types Distinguish Themselves,

SENIOR HONOR STUDENTS: Glenda Wasson, Carolyn Getts, Eagles; Doris Lee, American Legion; Ellis Ewing, Danforth; Ron Ault, American Legion and Valedictorian; Karen Vachon, Danforth; and Phil Ginder; Eagles.

The very important senior class officers are: Glenda Wasson, secretary; Phil Ginder, president; Chuck Vose, vice-president; and Ron Ault, treasurer.

SENIOR HONOR STUDENTS

Cooperation, leadership, attitude, courtesy, and reliability--these are taken into consideration when the winners of the citizenship awards are chosen.

The highest honors in the class are given to the valedictorian and the salutatorian. The senior who has the highest average this year is Ron Ault with an average of 97.17, followed by Jo Chapman with an average of 97.07.

These honor students are looked upon by underclassmen and thus are the ones who set examples for others to follow.

SENIOR CLASS OFFICERS

Our class officers are our leaders. They are the ones that preside over our class meetings, handle our money, and make important decisions that affect our everyday living. Through our class officers the transactions for the trip to New York, Niagara Falls, and Washington, D. C. were completed.

SENIOR SPONSORS

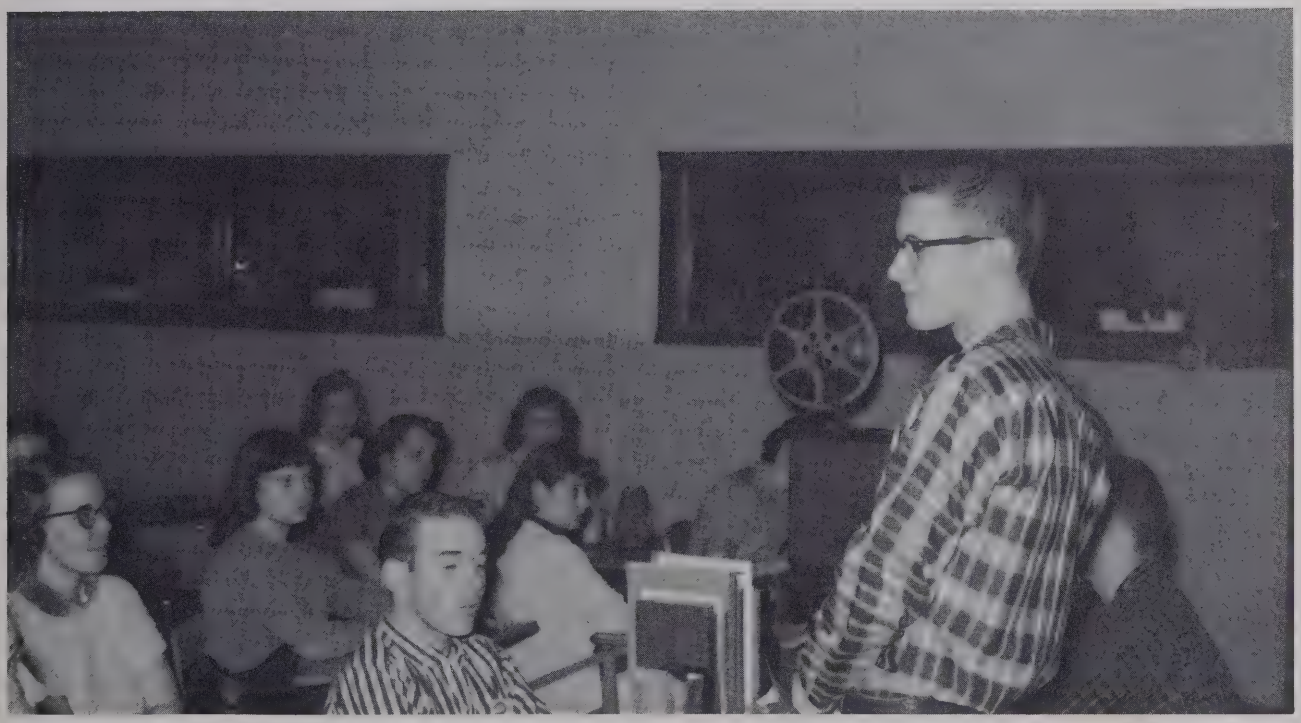
"The Class of 1959 was the workingest class I have ever seen," was declared by many people after seeing the seniors at work.

When the senior class undertook a project, they provided a service for the community or accomplished something that no other class before them had thought of. Whatever it was, they got it done, even if it meant working in the rain, after school till dark, or for eight straight hours.

The plans for these class projects were brought up and discussed in the class meetings. These meetings were under the supervision of Mr. Donald Van Zuilen, with Mr. Albert Smith and Miss Sara Jane Felter ready to lend their assistance. Phil Ginder, the class president, kept the discussion moving and made sure that everything was taken care of before adjournment.

It was an honor to be a 59'er. We are sorry it is all in the past and to be relived only "as we look back."

The three people who kept the seniors working toward the trip and who deserve many thanks from all the seniors are: Mr. Smith, Miss Felter, and Mr. Van Zuilen, Chairman.



Many humorous things were suggested in senior class meetings to make president, Phil Ginder, smile. The class meetings were lengthy at times but everyone was willing to give of their time in order that they might reach the ulitmate goals of every senior--graduation and the trip.

We Wish to Acknowledge . . .

Another school year has been completed. Only memories will bring this year, 1958-1959, back to us. Held within these covers of this Tropauem are many incidences of importance in our school lives. Some occurrences seem rather insignificant; while others seem vitally important to us. Nevertheless, they are what we will enjoy while "looking back" on our high school days.

The Tropaeum staff has worked many hours putting this story together in pictures and words. Each picture placed in this edition was selected for the story it tells; each head and caption ties the picture story closer to our lives.

It was not only through the work of the staff that made this possible for you. Mr. Robert Sutula of Elkhart finished most of the pictures. The faculty and Principal L. E. Lowe deserve credit for their cooperation and Mr. William Sadler, yearbook advisor, should be commended for his patience and willingness to go out of his way to assist in the completion of the Tropauem. Still others who played a very important part in this book were . . . .
